All dogs and cats must be up to date on rabies vaccination every year and/or every 3 years depending on the shot that is given. The animal must have appropriate food, water, and shelter. The dog or cat must be spayed or neutered before released from the shelter. Clinton County Animal Control can check on the animal any time after the adoption. It is your responsibility as a new pet owner to bring your new pet to your vet within 30 days to get a check up with a vet of your choice and any additional shots needed. It is also the new owner's responsibility to bring the pet in for yearly appointments as well. Please as if you have any questions.

12. Do you agree to bring your new adopted pet to your vet within 30 days and to bring in for yearly shots as well? **Yes or No**

Once adopted, Clinton County Animal Control is no longer liable for this animal. If anything would happen that would cause me to not care for my adopted pet, it is the owner's responsibility to re-home the animal or return the animal to Clinton County Animal Control for Disposition at cost.

13. Do you understand that this animal is your responsibility and if anything happens with this animal it can come back to you the owner? **Yes or No**

ALL ADOPTIONS ARE FINAL AND NON-REFUNDABLE
