 - Roll Call Committee members: Hollie Clark - absent, Bruce Rapien, Brad Knolhoff
 - Recognition of Guests: Sheriff Dan Travous, Tony Petrea
 - Approval of June Minutes: minutes approved
 - Old Business none
 - New Business

Sheriff's Report - 911 dispatch response to near drowning, recent homicide, Carlyle Lake

- CAD Program is moving along with training to begin mid-September
 - Tablets have already been purchased, with a possible go live date of late Sept/early Oct.
- The new hire for the deputy position remains in the works, the sheriff feels they are getting closer to filling the position.
- The process of ordering 16 body cameras has been set into motion. This has been mandated by the state to be in effect by 2025. The current budget allows for this expense, so there will be no extra tax dollars needed to cover the cost. Body cams will be a positive for the county residents and officers.
- Dan signed a contract for a new free Sheriff's Department App available to the public. Dan will explain what this app will do for county residents.

CCEM Director's Report

The committee nominates Tony Petrea to assume the position of CCEM Deputy Director, replacing Tim Schleper.

Tony gave the following report:

- The "big shed" organization is in the works, looks to be completed soon.
- John Skain continues to update all computers

- Generators currently in possession are to be mounted on existing trailers
 - Recent damage due to storms in WA County required the need to activate IRMA (the counties mobile emergency response vehicle. During the activation it was discovered the radio system was not working properly. This too is in the process of addressing.
-
- Meeting adjourned
