

March 17 Primary Election update

Brookside Township residents to vote at Sports & Activities Facility on KC campus

Voters of Brookside Township who plan on going to the polls in person for the March 17, 2026 Primary Election should be aware that their polling location remains on the campus of Kaskaskia College; however, the building has changed.

Voting for this next election has been moved to the Sports & Activities Facility, located behind the gym near the college's east parking lot. Previously, voting was conducted in the Lifelong Learning Center.

From Shattuc Road, voters can simply take College Road to Campus Drive. The Sports & Activities Facility is a large tan and brown building, directly east of the gymnasium. Parking is available near the entrance to the building.

An information table will be located at the entrance of the Kaskaskia College polling location to direct Brookside Township voters to their correct precinct voting table – Brookside 1, 2 or 3.

In addition, in-person voting is also available at the Clinton County Clerk's Office in Carlyle through Election Day. Hours are: Monday-Friday from 7:30 a.m. to 4 p.m. As always, anyone with questions can contact the Clinton County Clerk's Office at 618-594-6620.

BROOKSIDE TOWNSHIP WILL VOTE IN THE SPORTS & ATHLETICS FACILITY LOCATED BEHIND THE GYM
NEAR THE EAST PARKING LOT ON THE KASKASKIA COLLEGE CAMPUS IN CENTRALIA.
