Chris Leidel- Clinton County Health Administrator

1. Call to Order The meeting was called to order at 6:03 P.M. by Brain Klostermann. Stacy motioned to allow Brittany to be able to vote via zoom call with Brian seconding the motion. .
2. Public attendee present- but no comment.
3. Minutes from the November 4, 2025 meeting were reviewed. Jared mentioned the motion to accept the minutes with no changes made, this was seconded by Kurt and unanimously approved.
4. Administrative and Financial Report

Chris Ledidel gave the administrative report. For the month of December, we had revenue of \$89,336.56 and expenditure of \$69,462.67, for a net gain of \$19,873.89 for the month. We received a \$15,000 dollar grant to promote respiratory vaccines. This grant gives us the flexibility to buy COVID vaccines and other

respiratory vaccines for private pay if we need to. At the moment we still require a doctors order to administer any COVID vaccine. We have set up a health fair for February 5th. We have more dates that we will do depending on turnout. We will again ask for a doctor that the orders will go to for them to book an appointment that day. Between Sandy, Marian, and I we performed 175 inspections in October, November and December. We completed the inspections needed for the year 2025. We did waive third inspection when able to but did perform three when required by the LHPG.

Chris reviewed the financial report. The dues and subscriptions appear we went over however we should not need to have any more due or over the limit. Otherwise things are pretty normal with the financial report thus far this year. Jared motioned to receive the administrative report and financial minutes with Stacy seconding the motion. The motion was unanimously approved.

## 5. New Business

IPLAN - presented by Michaela Wilmarth

Done every 5 years.

#1 Health priority care access. Following is chronic disease death rates, mental health, and substance abuse .

Positive Findings- top-ranked county in Illinois for health and well-being.

Whitney voices that access to primary care providers should be the top priority and also substance abuse services. FQHC primary group interest as well. Tara notes that she agrees completely.

Chris notes we are actively working on a lot of these issues/gaps.

It would be helpful to get more direct statistics as far as more specifics such as lack of access being transportation/knowledge?

Which providers can accept new patients right now?

Kurt voices mental health statistics, are very concerning.

Substance abuse with kids concerning.

We will look more into some of these numbers and dig deeper into that and then report back.

## Food Ordinance

Reviewed revisions to add to the ordinance- Including the most up to date inspection form shall be displayed in public view. We would give the establishment a plastic plaque to display in. Did discuss

different grading symptoms and Chris will look into that and look at old inspection forms. We would need to look into if the county board would be okay with it.

Kurt motioned to approve the revision with Jared seconding the motion. The motion was unanimously approved.

## 6. Old Business

### Dental Committee

Discussed Murray Center does have a dental clinic available. Possibly visiting the facility and looking at the cost/etc.

SCT transportation- look into this.

Kurt motioned first, then Kayla second favor to move into executive session at 7:19th.

### Executive Session

Employee situation discussed during executive session.

Kurt motioned to come out of the executive meeting and Tara seconds the motion. The executive session ended at 7:24 pm.

Motion to approve proposal by Kayla first and Tara second. All with a unanimous vote.

Jared motioned to end the meeting with Stacy seconding the motion. The meeting ended at 7:25 p.m with a unanimous vote.

The next meeting is scheduled for March 3, 2026 at 6 pm.
