

Clinton County Highway Committee
Minutes
July 7, 2022 7:30 a.m.

1. Mr. Wessel called the meeting to order at 7:30
2. Attendance:

Bryan Wessel	Committee Chairman
Ken Knolhoff	Committee Member
Jim Sullivan	Committee Member
Dan Behrens	County Engineer
3. Mr. Knolhoff made a motion to approve the minutes from the June 9th meeting. Mr. Sullivan seconded the motion. The motion passed by voice vote.
4. No one from the public asked for time.
5. Mr. Behrens told the Committee they have allowed the contractor to suspend the working days until August when they will be able to seed the project immediately after finishing the extra dirt work that will be generated by the widening operation.

The Contractor has finished everything except adding the asphalt shoulders, final earthwork and seeding. The remaining work should take about one week to complete.
6. Mr. Behrens reported that they have oiled and chipped the road in Fuehne Hills Subdivision. He said that it will need to be oiled one more time then the township will take it over for maintenance.
7. Mr. Behrens said the State will open bids for the Germantown Road Resurfacing project on August 5th.
8. Mr. Behrens told the Committee that Clement Township asked for help concerning unauthorized excavations that have taken place on Knolhoff and Hammel Road. Mr. Behrens said that he visited the site with the Road Commissioner and he helped with a letter to the individual responsible for the excavation. He said that he told the Road Commissioner that the Township will most likely need to pursue legal options.
9. Mr. Behrens said the judge on the Brookside Township Low Water crossing ruled in the favor of the county and township but this ruling is subject to appeal.
10. Mr. Behrens told the Committee the dump truck that was bid over one year ago is being shipped but will still need to have the bed and other items installed. It will most likely take another 2 or 3 months before it is ready
11. The Committee approved the current bills.
